Ms. Darlene Standley  
Chief - Utilities Division  
Tennessee Regulatory Authority  
460 James Robertson Parkway  
Nashville, Tennessee 37243-0505

Dear Ms. Standley:

04-00434

Maury County has had only one wastewater utility since the formation of our office. This was in the Oakwood subdivision located on Hardison Road.

Our regulations require that all new utilities be approved by the Maury County Planning Commission and the Maury County Commission. Other than these, we have no development standards. The bond type or amount, if required, would be decided on a case by case basis.

I hope this is helpful. If you have any further questions, please let me know.

Sincerely,

J. P. Hatch

Director of Building &amp; Zoning
